Choosing a Menu to suit all tastes is often a difficult task, You can never please all the people all the time, so let us guide you smoothly through the process. Our menus have been created by our Head Chef, although we are very flexible and happy to provide tailor made menus for your event. As every wedding is different and individual, you may have your own personal requirements, which we would do our utmost to accommodate. After all, it is your special day.

What Happens Next

- *If you would like to make an appointment to come in and view our facilities, our wedding co-ordinators would be only too happy to help.*
- *Should you then wish to provisionally reserve a date, we can do so for you for 2 weeks whilst you make your decision. At which point you can either confirm the event or release the space.*
- *To confirm the date we require a non-refundable deposit of £500 after which point we issue a full event confirmation*
- *Approximately 2 months prior to the event we would arrange a mutually convenient time to go through all your details*
- *Final numbers, details and payment would then be required in full 2 weeks prior to your wedding.*
